

August 10, 2021

Supervisor Dennis Mahus called the workshop special meeting of the North Dansville Town Board to order at 5:30pm. Roll was taken and found Councilperson Horr, Infantino, Bacon and Luce present. Highway Superintendent MacWhorter was also in attendance. Guest: Yvonne Smallwood, Mary Underhill (Livingston Co Planning), Charles Perkins, Alan Jamison, Kathy Stiffler.

Supervisor Mahus informed the board that the purpose of this meeting is to allow Mary Underhill to discuss the County Planning Board's review report of the Town's proposed solar law. The County Planning Board had recommendations for changes and additions to the Town's based plan. Mary stated that the county's recommendations were based on issues that other Towns encountered where solar farms have been installed.

Recommendations:

- 1) Get a Bond prior to the start of the project to cover any costs that might occur if the solar farm owner should walk away from the project.
- 2) Change the section that deals with the Departments role, as written, and have the Fire Department give their approval for the project as presented.

The board thanked Mary for the assistance the County Planning board has given the Town and thanked her for the extra time she has spent by coming to this meeting.

A motion by Councilperson Horr and a second by Councilperson Bacon to adjourn. All in favor  
**MOTION CARRIED.**

Meeting adjourned at 6:50pm.

Respectfully submitted

Timothy R Wolfanger  
Town Clerk/Tax Collector
